MILDENHALL & DISTRICT SWIMMING CLUB

Presents its

53rd ANNUAL CHAMPIONSHIP GALA

on

Saturday 7th November 2026

Meet is Licenced at Level 4. Licence Number: 4ER261371

Meet is officiated under Swim England Laws and Swim England Technical Rules

Kindly sponsored by

CAMERON HOTEL COLLECTION

Swim England Affiliated Club

SwimMark ESSENTIAL CLUB

Swim England Suffolk

Affiliated to Swim England East Region

Mildenhall & District Swimming Club is a charity registered in England & Wales (1154407)

Welcome to our 53rd Club Championships

Welcome to our Club Championships, which we run every year and have done since the club began, with extra races being added over the years. They are HDW (Heat Declared Winner) Championships which means that there are heats only and no finals. Once all the heats are swum, the swimmers' times are sorted into the individual age groups and medals awarded accordingly. The heats are arranged by time, with the fastest swimmers in the last heat.

A few years ago, we made the championships into a licensed meet by introducing a new recording system, this enables the results to be included in the Swim England ranking, and the benefits are:

1) To swim at the County Championships, you have to make the qualifying time and only times that appear in the rankings are accepted.
2) The county team manager uses the rankings list when picking the county team.
3) The swimmers can see how they rank against other swimmers by County, Region or Nationally.

We run the main Championships over two weekends in November (first weekend a Saturday and the second weekend the Saturday and Sunday). They cover all the strokes and give the swimmers a chance to swim races of different lengths for each stroke (the 9 and under swim 25m and 50m and the 10 and over 50m and 100m). A swimmer therefore has the chance to swim 10 races and this gives the swimmer the opportunity to get the required times for their age groups.

There are extra races for the newer members of our club on the final Sunday: The Minnows have their own race and this can be swum with or without aids; this is followed by the Catfish race and then the two width races (one for girls and one for boys). Later in the evening we have the 25m Novice race which is for non-squad members. This race has an age limit of 14 and a cut off entry time of 20 seconds (so any swimmer that has a faster time cannot enter this race). We round up the evening with the Family race which is a fun event, although there is a trophy at stake! The rules are: two adults of any sex; two children who are still at school (Year 13 or below) and up to two families per team.

We have two presentations of trophies and medals, one halfway through the evening, so that the younger members can go home if they want to, and one at the end of the night. If your child has been placed, please stay for the presentation as it means so much to the swimmer: they stand on the podium, are presented with their award and then you get to take their photo!

We hope you enjoy the Club Championship. This club is run entirely by volunteers and more are always needed. If you are able to help in any way, please contact any member of the team.

Good luck, Swimmers!
